New 3-Gang Box  
Larger KOs

**NEW!**

## Steel City® 60W Series Floor Boxes For Wood Subfloors!

Steel City 60W Series Floor Boxes provide single- and multi-gang solutions for wood subfloor applications.

- NEW! Three-gang configuration for high-capacity, multi-service installations
- NEW! Larger KOs ( $\frac{3}{4}$ " & 1") have been added to each gang for application flexibility
- Adjustable mounting brackets allow for various finished floor material heights (hardwoods, tile or carpet)
- Ideal for open-layout residential applications, school auditoriums, or commercial office space
- Voltage dividers are included with multi-gang boxes to accommodate power, voice and data services in the same floor box
- Full range of metallic and non-metallic cover and flange options
